(ANNEX 1)

ADDITIONAL INFORMATION

Research responsibilities

- 1990–93: AIDS Research Project of the Ministry of Health for the development of a national network of HIV anonymous screening units.
- 1990: national training course on the prevention of HIV infection for the health professionals dealing with drug abuse.
- 1993: AIDS Research Project of the Ministry of Health on “quality of life of people HIV”.
- 1994: AIDS Research Project of the Ministry of Health on Contact Tracing and Partner Notification
- 1995: Project of the Veneto Region for the prevention of HIV in drug users.
- 1995-98: National Project of the Ministry of Health on the prevention of HIV through outreach work
- 1997: project of the Ministry of Health “*Survey of the effects of a negative HIV on people with risky behaviours*”(general and administrative coordination)
- 1997-98: collaboration with CO.DI.CI (Citizens rights coordination) in *Regional Project for the realization of legislations reviews on AIDS*” (responsible for the general organization)
- 1997: UE Project “HIV infection, contact tracing and partner notification: development of a new model adaptable to the European reality” (Project responsible) in collaboration with the Institute of Advanced Legal Studies of the London University, the Legal Institute of the Paris University Law School, and the Portuguese national association against AIDS.
- 1998 -1999: Veneto Regional Project “Management and epidemiological monitoring of drug addiction and related diseases” Responsible of the Project).
- 1999 – 2000: Veneto Regional Project “TQM1” on the evaluation and control of the quality of public and private services of drug abuse” (responsible)
- 2000 – 2002: Veneto Regional Project “TQM2000 Total Quality Manager for the drug abuse system” (Project responsible).
- 2000–2001: Project of the Ministry of Health “Ancos 1 Costs analysis of the social and health interventions carried out by the public services for the assistance to drug users” (responsible).
- 2000-2001: Project of the Ministry of Health “DRONET1 implementation of an information network of central and local institutions for the exchange of experiences and for a permanent education in the field of drug addiction (Project Responsible)”
- 2002-2003: Veneto Regional Project “UP&GO Programme for the communication for the drug abuse prevention through a network interventions”
- 2002-2004: Project of the Ministry of Health “SESIT1”. Improving the Public Addiction Centers information system and implementing a monitoring system of service users based on European standards.
- 2002-2004: Project of the Ministry of Health “ANCOSBEN2 Prosecution of the realization of a quality system assessment of the public and private services for the assistance to drug users”
- 2002 – 2004: Project of the Ministry of Health “DRONET2 an information network on drugs and drug addiction”
- 2004- 2006 Project of the Department for Anti-drug policies, Presidency of the Council of Ministers “SESIT2: study and implementation of an information system and an evaluation system on treatment outcomes and Addiction Department organization and services. A Benchmarking study on the different realities of Italian Regions and Autonomous Provinces. (Project Responsible)
- 2004-2007: project of the Veneto Region “ an integrated network of social monitoring centers: the regional monitoring center on drugs and drug addiction. A development of this regional project: education and training of services operators (both public and private services). Monitoring Center on drugs and drug addiction– Total Quality

Management”

- 2003-2007: NOP: Project of the Council of Ministers- Department for Anti-drug Policies “Evaluation system and expenses control of the results produced by the interventions in the field of drug abuse”
- 2005-2006: “UP&GO 2: Communication Programme of the Veneto Region for the prevention of drug abuse through a network of interventions.

Teaching activity

- Since 1988 I have been teaching in training courses and in regional, national and European workshops.
- Since 1998 I am the Scientific director of the Veneto Region Addiction Training Plan
- From 1999 to 2001 I was the director of the course about health services organization of the ISS -Italian National Institute of Health (the leading technical and scientific public body of the Italian National Health Service)
- From 2002 to 2004 I was teacher in the course of “Marketing in healthcare organizations” at the SDA School of Management –Bocconi University – Milan

Projects collaboration and counselling

- Scientific counselor of the project “Outcome evaluation in addiction services and therapeutic communities” (Veneto Region - March 1996)
- Counselor of the Epidemiological Monitoring Center of the Veneto Region (March 1996)
- Counselor for the projects of the Department of Youth Policies and Prevention Veneto Region (March 1996)
- Regional Coordinator of the Project on the spread of information on drugs and drug abuse (Ministry of Interior – May 1997)
- Responsible organization for European Projects of Ulss 20 Verona
- Counselor of the Project “*Organizational flexibility*” (Veneto Region in collaboration with the Institute of Behavioural Research-Texas Christian University -2003).

Project management and scientific responsibility

- Scientific Coordinator of the Project “*Prevention of HIV through outreach work*” (Ministry of Health – February 1996)
- Regional Coordinator of the Project “*Implementation of information flow*” (Ministry of Interior – June 1996)
- Regional Coordinator of Reitox Project (Ministry of Interior – June 1996)
- Scientific Responsible of the “*Project for the production of informative materials on HIV in risky populations*” (Veneto Region – 1995)
- Scientific Responsible of the following projects of the Veneto Region and Ministry of Health :
 - 1) “*AIDS Prevention in drug users through outreach work*” (1996 -1998)
 - 2) “*Effects following the delivery of a negative HIV test to people with risky behaviours*”
 - 3) “*Heroin and AIDS: intervention for the outreach of HIV positive drug users who abandoned health care centres: a collaboration between public and social-private*”
 - 4) “*Testing and evaluation of a contact-tracing and partner notification anonymous model*”
- Coordinator of the following initiatives of the Veneto Region against AIDS:
 - 1) “*Project for HIV prevention, information and motivate HIV testing, addressed to homosexual and bisexual population, in collaboration with public services*”.
 - 2) “*Definition of a training plan for voluntary non-healthcare professionals devoted to home assistance*”
 - 3) “*AIDS prevention campaign in the discos*”
 - 4) “*Project for the realization of legislative reviews and a reference legislation as far as AIDS*”
 - 5) “*HIV prevention project amongst prostitutes and their clients. A collaboration between public and private*”
 - 6) “*Project for home assistance to the HIV positive child and the family*”
 - 7) “*Dental care in HIV positive people: rights and duties*”
 - 8) “*AIDS Prevention Campaign addressed to immigrated people*” (1996-1997)
- Project Manager of the European Project “*HIV infection, contact tracing and partner notification: development of a new model which would adapt to the European reality*” (1997-1999)
- Scientific Responsible of the project “*AIDS Prevention amongst drug users through outreach*” (Presidency of the Council of Ministers – Department for Social Affairs - 1998)
- Scientific Responsible of the Veneto regional training courses for the addiction health professionals

Scientific counselling and
commissions participation

- Scientific Responsible of the Veneto Regional project *“Implementation and validation of a standard system for the diagnostic multi-axial and therapeutic evaluation and the drug user global management (1998).”*
- Scientific Responsible of the Veneto Regional Project *“implementation of a national evaluation centres network of the activities of drug abuse services (1998).”*
